

APEC 2011 Hawai'i Host Committee Presents

The Best in Business Innovation

Congratulations to the five Awardees of the Hawai'i Business Innovation Showcase. These companies, selected from each of the four counties including one overall statewide recipient, represent the highest caliber of innovation in the state. Awardees will receive an unprecedented opportunity to showcase their achievements during APEC Leaders' Week.

Statewide Awardee

SKAI VENTURES

Invent. Disrupt. Inspire.

A venture accelerator focused on inventing, acquiring, and commercializing disruptive technologies in the security, bio-medical, and healthcare markets.

Hawai'i County Awardee
